Elevate:	5:30-7:00 p.m. Sundays	Room 206

**THE DETAILS:
WEEKLY SCHEDULE**

Elevate Youth Ministry: We gather weekly and Elevate is open to ALL youth aged students from 6th-12th grade along with any of their friends or any student that hears of us and wants to come! This is a time for fellowship with dinner, games, prayer, testimonies, and discussions, & messages from God’s Word centered around the Gospel. This is a very meaningful time of encouragement, motivation & spiritual nourishment for the teens before going out into the world and doing what God has called us to do. We break it down by the following 4 ways:

Bible Study: Every Sunday morning we dig into God’s Word together so that we can be trained in righteousness and equipped for every good work (2 Timothy 3:16-17). We will have biscuits/breakfast and fellowship before we start!

Elevate Worship: Twice a month this will be our biggest intentional program where all leaders will be involved with leading games, worship, devotion, small groups, ect!

Elevate Missions: Once a month we will be focusing on missions (local and global). We are called to be selfless and serve, so this will be a time of being intentional and serving our community at least once a month.

Elevate Community: Once a month we will be focusing on having fun while building relationships through the Elevate community! We will have dinner and then spend the rest of the time getting closer with the people around us by playing intentional games, going to the movies, or going to the park for a giant game of kickball!
