**THE DETAILS:
WEEKLY SCHEDULE**

Elevate Youth Ministry: We gather weekly and Elevate is open to ALL youth aged students from 6th-12th grade along with any of their friends or any student that hears of us and wants to come! This is a time for fellowship with dinner, games, prayer, testimonies, and discussions, & messages from God's Word centered around the Gospel. This is a very meaningful time of encouragement, motivation & spiritual nourishment for the teens before going out into the world and doing what God has called us to do.

Bible Study: Every Sunday morning we dig into God's Word together so that we can be trained in righteousness and equipped for every good work (2 Timothy 3:16-17). We will fellowship before we start!

Elevate: During our time together, all of our leaders will be involved with leading games, worship, devotion, small groups, ect! From time to time, we will just have a mission's night or a big fun community event that involves other youth ministries!

Confirmation: During our time together, we will be spending time going over many topics with anyone who is interested in being confirmed and joining the church! We are looking forward to beginning a lifelong journey with you!

Youth Handbells/Choir: Roxanne Golden leads these two programs. Please reach out to her for any questions!
